audit or review, at a reasonable time and place.

(e) Unless otherwise approved by FNS, the Claim for Reimbursement for any month shall cover only Program operations for that month except if the first or last month of Program operations in any fiscal year contains 10 operating days or less, such month may be added to the Claim for Reimbursement for the appropriate adjacent month; however, Claims for Reimbursement may not combine operations occurring in two fiscal years. A final Claim for Reimbursement shall be postmarked and/or submitted to the State agency not later than 60 days following the last day of the full month covered by the claim. State agencies may establish shorter deadlines at their discretion. Claims not postmarked and/or submitted within 60 days shall not be paid with Program funds unless FNS determines that an exception should be granted. The State agency shall promptly take corrective action with respect to any Claim for Reimbursement as determined necessary through its claim review process or otherwise. In taking such corrective action, State agencies may make upward adjustments in Program funds claimed on claims filed within the 60 day deadline if such adjustments are completed within 90 days of the last day of the claim month and are reflected in the final Report of the Child and Adult Care Food Programs (FNS-44) for the claim month which is required under 226.7(d). Upward adjustments in Program funds claimed which are not reflected in the final FNS-44 for the claim month shall not be made unless authorized by FNS. Downward adjustments in Program funds claimed shall always be made without FNS authorization regardless of when it is determined that such adjustments are necessary.

(f) If a State agency has reason to believe that an institution or food service management company has engaged in unlawful acts with respect to Program Operations, evidence found in audits, investigations or other reviews shall be

a basis for non-payment of claims for reimbursement.

§ 226.11 Program payments for child care centers, adult day care centers and outside-school-hours care centers.

(a) Payments shall be made only to institutions operating under an agreement with the State agency for the meal types specified in the agreement served at approved child care centers, adult day care centers and outside-school-hours care centers. A State agency may make payment for meals served in accordance with provisions of the Program in the calendar month preceding the calendar month in which the agreement is executed.

(b) Each child care institution shall report each month to the State agency the total number of meals, by type (breakfasts, lunches, suppers, and supplements), served to children, except that such reports shall be made for a proprietary title XX center only for calendar months during which not less than 25 percent of enrolled children, or 25 percent of licensed capacity, whichever is less, were title XX beneficiaries. Each adult day care institution shall report each month to the State agency the total number of meals, by type (breakfasts, lunches, suppers, and supplements), served to adult participants, except that such reports shall be made for a proprietary title XIX or title XX center only for calendar months during which no less than 25 percent of enrolled adult participants were title XIX or title XX beneficiaries.

(c) Each State agency shall base reimbursement to each child care institution on the number of meals, by type, served to children multiplied by the assigned rates of reimbursement, except that reimbursement shall be payable to proprietary title XX child care centers only for calendar months during which not less than 25 percent of enrolled children, or 25 percent of licensed capacity, whichever is less, were title XX beneficiaries. Each State

agency shall base reimbursement to each adult day care institution on the number of meals, by type, served to adult participants multiplied by the assigned rates of reimbursement, except that reimbursement shall be payable to proprietary title XIX and title XX adult day care centers only for calendar months during which not less than 25 percent of enrolled adult participants were title XIX or Title XX beneficiaries. In computing reimbursement, the State agency shall either:

(1) Base reimbursement to institutions on actual daily counts of meals served, and multiply the number of meals, by type, served to participants eligible to receive free meals, served to participants eligible to receive reduced-price meals, and served to participants from families not meeting such standards by the applicable national average payment rate; or

(2) Apply the applicable claiming percentage or percentages to the total number of meals, by type, served to participants and multiply the product or products by the assigned rate of reimbursement for each meal type; or

(3) Multiply the assigned blended per meal rate of reimbursement by the total number of meals, by type, served to participants.

(d) If the State agency elects to reimburse its institutions according to the lesser of rates or actual costs, total Program payments to an institution during any fiscal year, including any cash payments in lieu of commodities, shall not exceed allowable Program operating and administrative costs, less income to the Program. The State agency may limit payments for administrative costs to the amount approved in the annual administrative budget of the institution. The State agency may prohibit an institution from using payments for operating costs to pay for administrative expenses.

(e) Each institution shall maintain records as prescribed by the State agency's financial management system.
